J U N I O R B O A R D

## QUICK FACTS

The purpose of Junior Board is to act as a liaison between The Gardens and the community by promoting The Gardens' mission, operations, programs, events and activities.

The Junior Board consists of approximately 20-25 members.

There is no age requirement for serving on the Junior Board; our goal is to foster growth through diversity.

Junior Board members are required to be members of The Gardens. There are now three membership levels that promote support from young professionals and students.

The Junior Board is responsible for creating and managing an annual event to create awareness and interest in the 18-35 year old demographic, including college students, young professionals and community leaders.

The two events for 2012 are Tunes 'n Blooms and the Dirt Dash Fun Run.

The Junior Board is divided into four (4) committees: special events, public relations, education and membership.

The officers of the Junior Board are: Chair, Vice-Chair and Secretary. The executive committee includes the officers plus the chairs of each committee.

The term of membership on the Junior Board is two (2) years. Officers serve one year terms.

Self-nominations are not only accepted, but encouraged.

The Junior Board is self-managed: the executive committee chooses the nominees for consideration annually; the full Junior Board votes on new members each December.

The Junior Board meets monthly on the third Friday at noon.

Anyone can nominate themselves or another by filling out a nomination form. All nominees must also submit a resume and letter of interest to be considered.
