

BIRMINGHAM BOTANICAL GARDENS

Teacher Resource Center

The Library at Birmingham Botanical Gardens

We have an entire area in our library dedicated to helping educators and parents teach their children about nature and all it has to offer. We have over 450 books, videos, plant models, CDs and DVDs ready and waiting for you. Some of the items we offer for check out:

- ◆ Eye Witness books & videos
- ◆ *What's it Like Where You Live?* video series (Evergreen Project): The Forest Floor, Woodland Stream, City Habitats, Rainforests, Deciduous Forests, Deserts, Plants & Life on Earth, Rotting Log, and What's in Your Backyard
- ◆ Multiple copies of Peterson's First Guides: Forests, Trees, Urban Wildlife, Butterflies & Moths, and Caterpillars
- ◆ Resource Materials for HASP Modules: Living Things, Organisms, Plant Growth & Development, Butterflies, Ecosystems, and Earthworms
- ◆ Resource Materials to go along with all of The Gardens' Discovery Field Trips: Alabama Woodlands, Tropical Rainforests, Native American Gardens, Garden Gates, George Washington Carver, and The Secret Life of Trees
